Subject: ISBE 21st CCLC Statewide Evaluation Webinar

Dear 21st CCLC Grantees,

EDC is hosting a webinar on evaluation on **Friday, September 25 from 1:30pm-2:30pm Central Time**. *We strongly encourage you to forward this announcement to your local evaluators so that they can join, if possible.*

Evaluation 2020: We will share findings from our most recent statewide evaluation report and site visits, and we will provide tips and strategies for managing evaluations in the year ahead, given the ever-changing, often online environment.

We know this is a busy time of year and scheduling time to participate can be a challenge. This webinar will be recorded and made available online via the IQA website for you to access as your schedule allows. Information about how to connect and participate are included below. Thank you and have a great weekend.

All the best,
21st CCLC Statewide Evaluation Team
