Webinar Handout and Links

Unpack Your Experience

- What are your greatest strengths as a learner? What do you need support or help with?
- How have you benefited from specific, targeted support throughout your education?
- How is a positive learning environment created?

Pack-up New Tools

- I used to think…now, I think…
- List 3 learnings or ideas you wish to bring back to your work.
  - For each item listed, state the specific act you will take to implement.
  - Describe how you will know you're successful.

YOU FOR YOUTH
